Bartosz Gniewek

Database Administrator

bartosz.gniewek@example.com · Wroclaw, Poland

SUMMARY

Database administrator with eight years of experience in MySQL and SQL Server for a regional retailer. I look after backups, user access and reporting databases. My day is mostly tickets, maintenance windows and tuning slow queries. I am keen to broaden my knowledge, and I keep up with industry trends by reading and attending internal talks. I prefer stable systems and clear documentation, and I enjoy helping colleagues understand what the database is doing.

SKILLS

MySQL, SQL Server, Backup and restore, Index tuning, T-SQL, Replication, User management, Monitoring, Kubernetes, Terraform, CI/CD, Docker, Azure, Jenkins, Linux

EXPERIENCE

Database Administrator, Sudety Retail Group 2018 – Present

- Maintain 30 MySQL and SQL Server databases supporting stores and the web shop.
- Schedule and verify nightly backups; ran a successful full restore test every quarter.
- Tuned reporting queries, reducing a slow sales report from 15 minutes to 2.
- Our developers use Kubernetes, Terraform and CI/CD tooling, and I attended an internal overview session but do not operate them.
- Document database procedures and train new colleagues on backup and permission policies.

Junior DBA, Odra Software House 2015 – 2018

- Handled user requests and permission changes.
- Wrote T-SQL maintenance scripts.
- Migrated small databases to new servers during planned weekend windows.
- Created reports for the support team about slow queries.
- Worked with the store systems team to plan upgrades before the holiday sales period.

IT Support Technician, Wroclaw Computer Services 2013 – 2015

- Installed and configured workstations and printers for small businesses.
- Resolved user tickets and kept an inventory of hardware.
- Learned SQL basics from a senior colleague.
- Supported a small team of developers by creating test copies of production databases.
- Documented hardware and licence inventories for audits.

EDUCATION

- BSc Computer Science, Wroclaw Technical College (2011 – 2015)

LANGUAGES

Polish (native), English (B2)
