Lukas Brandstetter

Frontend Developer

lukas.brandstetter@example.org · Leipzig, Germany

SUMMARY

Pragmatic frontend developer, nine years in agencies and product firms. I write straightforward JavaScript, prefer server-rendered pages where they fit, and reach for frameworks only when they earn their place. I like fast sites and small teams. I prefer plain tools, readable code and honest estimates. In my spare time I tinker with static site generators and write short tutorials in German.

SKILLS

JavaScript, Svelte, SvelteKit, HTML5, CSS, Alpine.js, Node.js, Rollup, Cypress, Lighthouse, SEO basics, Progressive enhancement, Sass, Gulp, Git

EXPERIENCE

Frontend Developer, Pappel Commerce 2019 – Present

- Rebuilt the checkout in SvelteKit; time to interactive dropped from 4.2 s to 1.6 s.
- Maintain a shared component package consumed by three storefronts.
- Run monthly performance budgets and fix regressions before release.
- Reviewed pull requests from two junior colleagues and paired on tricky accessibility and layout issues.

Web Developer, Studio Zwielicht 2015 – 2019

- Delivered about forty brochure and campaign sites for regional clients.
- Introduced a Sass and Gulp workflow to replace hand-maintained stylesheets.
- Built interactive maps and charts using D3.
- Delivered training on semantic HTML for the content team and agency account managers.
- Kept a shared snippet library that sped up new project setup from two days to half a day.

Trainee Web Developer, Elsterwerk Medien 2013 – 2015

- Assisted with theme development and browser testing on WordPress sites.
- Fixed bugs, wrote documentation and tested sites on old devices in the agency's device cabinet.
- Learned version control and ticket-based work from the senior developers.
- Answered client support emails about content changes and fixed small bugs within the same day.
- Kept a handwritten log of browser quirks that later became the agency's compatibility wiki.

EDUCATION

- Ausbildung Fachinformatiker Anwendungsentwicklung (final project: a regional tram timetable website), Berufsschule Leipzig-Süd (2012 – 2015)

LANGUAGES

German (native), English (B2)

CERTIFICATIONS

- Google Fonts and typography short course
- Web performance workshop, 2022
